Contract Development and Manufacturing Organization

SYNERLAB, YOUR WORLDWIDE PARTNER

FOR CONTRACT DEVELOPMENT & MANUFACTURING SERVICES

AS A CDMO WITH 7 GMP FACILITIES IN EUROPE, SUCCESSFULLY DEDICATED TO CUSTOM-MADE SERVICES, THE SYNERLAB TEAMS OFFER A WIDE RANGE OF QUALITY PRODUCTS AND SERVICES AND VERY STRONG ENGAGEMENT.

Synerlab is your global partner in Europe for manufacturing small, medium and large series from early stage development phase, clinical batches to production in 4 areas:

- Multidose: non-sterile, sterile with and without preservative solutions
- Dry forms: tablets, capsules, sachets, sticks and dragees
- Solid forms: soft gels & hard capsules, tablets, sachets and stick powder
- Liquid forms: sticks and soft gelatin capsules
- Freeze drying: non-sterile and sterile

Operating with the highest standards of excellence, innovating our practice and creating long lasting relations with our clients to produce life saving treatment or just comfort to patients is the credo which drives our every investment.
